Dear Joy

1. Assalamu Alaikum, I appreciate your support in completing server management(RHEL-7) training for two (02) Officers, one (01) Junior Commissioned Officers and 26 Other Ranks of Bangladesh Army at 3 Signal Battalion. I am sure they are highly benefitted to get you as trainer.
2. Training of total twenty two classes from 05 May 2018 was worth as your experience on Linux Server Management provided trainees more practical insight on managing Linux Server. As a certified trainer your communication skills made the subject matters easier to understand.
3. Mr. Joy, you are a disciplined and supportive person with good knowledge on Linux Server Management. I wish you a long and secure life all through.

Sincerely Yours

Dear Mr. Joy Prakash Ghose

I appreciate your support in completing "Networking and Windows Server 2008" training for seventeen (17) officers and sailors of Bangladesh Navy at School of Maritime Warfare and Tactics. I am sure they are highly benefitted to get you as trainer.

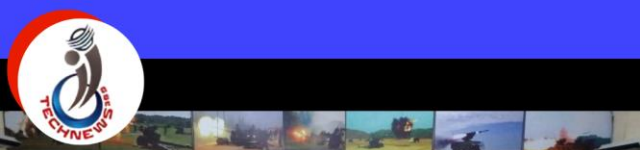

This two weeks training from 20th to 30th January 2014 was worth as your experience on system administration provided trainees more practical insight on managing system networks. As a certified trainer your communication skills made the subject matters easier to understand.

Mr. Joy, you are a disciplined and supportive person with good knowledge on networking and windows server. I wish you a long and secure life all through.

Sincerely Yours
